

ENGLEHART NORDIC SKI CLUB

Kap Kiglwān
Provincial Park

Parking: Parking is available outside the park gate at the end of Kap-Kig-Iwan Road and it is just a short walk to the chalet.

Chalet: Located inside the main gate to the park. On weekends, during the ski season all are welcome to take a break and share the warmth of our fire with fellow skiers. We also have a good inventory of cross-country and skate skis, poles and boots available at the chalet to use **free of charge**.

Trails: There are over 12 km of well-groomed, scenic cross-country and skate ski trails. There are also 7 km of snowshoe/hiking trails. Snowshoers, hikers and walkers are requested to avoid the centre of the ski trails reserved for skate skiers. Please use the outside edge of the groomed trails to minimize damage to the ski trails. Dogs are welcome on our trails but please remember to 'stoop and scoop' and deposit the waste in the garbage container near the chalet. Our groomed trails are an exceptional value to the community as they offer access to a stunningly beautiful location to get the exercise we need to keep our spirits up, stay healthy and connect with nature over our long winters.

Seasonal Membership: The operation of the club, including trail maintenance, is carried out by a small dedicated group of volunteers and our operating costs are dependent upon membership income.

2015-16 Membership Fees:

Single: \$45 Family: \$100

Our daily rate for non-members is \$5 for an individual and \$10 for a family.

Please deposit daily fees into the 'Drop Box' located beside the chalet.

**For further information and to obtain a membership form, please contact Liz Robitaille,
President at (705) 544-2051 or via email at lizbythelake@live.ca;**
